

PRIVATE SECTOR SOLUTIONS

Network Distribution® (*Network*) is a global distribution organization supported by the power of local service and expertise. We create and manage custom supply programs that ensure operations have the industrial packaging, foodservice disposables, and janitorial products you need.

We work with Una members on a corporate and local level to drive SKU consolidation, while working to uncover cost savings and improved efficiencies at each of your local operations.

DELIVERING WHAT MATTERS

- 700+ distribution centers in North America
- 7,500 responsive local specialists
- 24/7 access to online ordering—Marketplace
- On-site training for improved efficiency and effectiveness
- Drive national program and contract compliance
- Flexible delivery schedules, including local will call and emergency order options
- In-market inventory, including a full line of health, safety, and environmentally-preferred products
- Proprietary assessment programs to uncover cost savings

PARTNERING WITH BRANDS YOU KNOW

OVER 50 YEARS OF SUPPLY CHAIN EXPERTISE

- Spending analysis to help you optimize buying patterns
- Improve production efficiency across your operations
- Visibility into your packaging and indirect spend product categories, inventory and purchase history
- Comprehensive floor equipment solutions for predictable cost of ownership
- Packaging automation, equipment repair, integration and technical support

Partnering with Una and *Network* will give you access to flexible, integrated distribution solutions and industrial packaging programs.
