

PPG Program

Streamline and save on all of your paint, coatings, and specialty material purchasing needs.

Bigger savings on paint & specialty materials

PPG Paints is the second-largest paint and coatings company in the U.S. with over 7,000 nationwide and an international portfolio of brands. Serving customers in the industrial, transportation, consumer products, and construction markets, PPG strives to enhance more surfaces in more ways.

With Una's easy and fast connection process, your organization and the contractors you work with can start saving on materials right away.

Get deep discounts through Una on all of your painting and supply needs:

- Save time requesting quotes and take advantage of competitive pricing
- Rebates available based on contract purchasing history and utilization
- All paint and supplies purchased through sub-contractors are tracked and count towards the member's rebate total.
- Single point-of-contact to assist with customer service, placing orders, product questions, etc.

PPG can also assist Una members through the design, construction, and maintenance phases of projects.
