***SUPPLIER DIVERSITY:** In order to be considered for a Supplier Diversity contract award, ownership must be independently certified by a minority, woman, LGBT, disability or veterans enterprise association recognized by the GPO, be registered with the Supplier Diversity Program, and meet category criteria set forth by the GPO.

****DIVERSE SUPPLIER CAPABILITIES:** Office Depot® is proud to offer one of the most comprehensive Supplier Diversity programs of its kind, in order to give Diverse Suppliers more opportunities to grow and prosper. Our program is made up of three dimensions: Tier I, Procurement, and Tier II. We collaborate with our customers and help them meet their supplier diversity goals through our impressive network of diverse supplier partners and vendors.

Spend solutions for your entire IT stack.

Access thousands of technology vendors and get the best value on the technology solutions you need to run your business – for free.
